Dear Chief Streicher:

I am writing you today to let you know how appreciative The Downtown Residents Council is of the efforts of Captain James L. Whalen, as well as the members of the Downtown Services Unit and the officers of District One.

Captain Whalen continues to be a visible and enthusiastic member of our downtown community as Commander of District One. He attends our regular council meetings, as well as the downtown sector meetings, and we see him frequently at downtown events and festivals.

Captain Whalen is an excellent representative of the Cincinnati Police Department and the City of Cincinnati.

We are aware that Captain Whalen is being considered for the position of Assistant Police Chief. If chosen to serve as Assistant Police Chief, Captain Whalen would continue to bring many accolades to our city and its police department. He has served our city with pride, great accomplishment and a passion that is second-to-none, and he is most deserving of this opportunity. While our downtown residents would miss Captain Whalen as District One Commander, we would have great satisfaction knowing of his accomplishment.

The Downtown Residents Council highly recommends Captain James Whalen be named Cincinnati's next Assistant Police Chief.

Thank you for your time and for all you do to make our city a better place to live.

Sincerely yours

Conrad F. Thiede
Vice President and Co-Chair of the DRC Clean & Safe Committee
